## **MANDATORY DISCLOSURE**

### **A) ABOUT HEI**

#### **ABOUT US : OVERVIEW -**

Vikash group of institutions established an engineering institute of excellence in the year 2009 with the intention of providing quality professional training to the students in this region. It is run by a team of professionals with dedication, commitment, determination and transparency. The campus provides a unique learning ambience with dedicated faculty who help our students identify and sharpen their professional talent. Training obtained at Vikash Institute of Technology (Formerly Vikash College of Engineering for Women), Bargarh, will help them discover a turning point in their lives with boundless opportunities.

Vikash Institution of Technology is part of 'Vikash Knowledge Hub' an Integrated Educational Complex, one of its kind in the State. The campus is spread over 55 acres of land with beautiful landscaping and well-developed eco-friendly plantations. This self-contained, co-educational campus is scientifically planned, artistically designed and precisely constructed to meet the demand in grooming the global citizens.

#### **VISION & MISSION –**

To a global institution par excellence in dynamic equilibrium with its social, ecological and economic environment, achieving very high standards education, research and technological service.

To educate, train and make the young womanhood which has been mistakenly identified as the weakened section of the society highly capable, employable and competitive engineers, technologists, scientists, professionals and makers of the society.

#### **AFFILIATING UNIVERSITY -**

Vikash Institution of Technology is approved by AICTE, New Delhi and affiliated to Biju Patnaik University of Technology, Odisha.

## **F) STUDENT LIFE**

### HOSTEL DETAILS -

Away from home, Nothing to worry about! The loving hearts of teachers, caring hands of matrons, watching eyes of wardens, and nourishing dishes of Saha Jeevan make the students feel Vikash a home away from home. The girls find the hostel near NH-6 to be fully secured and protected with guards on 24 hours' duty. There are large rooms in the hostel and the residential feel assures the complete safety of the students. Large playgrounds adjacent to the hostel invite students to spend time in games and sports and make the environment more pleasant. There is a regular hostel, dining facilities along with freshwater supply from aqua-guard. The Boys hostel with intake capacity 100 seats and Girls hostel with intake capacity 100 seats was established separately with secure environment.

### PLACEMENT CELL -

The Institution has an individual career development and Placement cell for preparing the students to make them fit for the multinational companies through continuous training program. The T&P cell strives to ensure 100% placement opportunity. The center fills in the void between the student life and the professional phase making the transformation smooth and easy to adapt.

The institution has tied up with Training and placement agencies like Classle, Nicco Ventures and Co-cubes for this purpose. The placement cell has build relations with most of the major players across various industries. The placement work for Final year students has already started and some of our students has been selected by companies and MNCs like Parametrix Technology Ltd etc.
