

The Techie's

INTERNATIONAL WOMEN'S DAY CELEBRATION

International Women's Day was celebrated with great enthusiasm at Vikash Higher Educational Institutions, Bargarh, recognizing the achievements, strength, and invaluable contributions of women in society. The occasion brought together students and staff in a spirit of appreciation and awareness, highlighting the importance of equality, respect, and empowerment. The celebration served as a reminder to continue fostering an inclusive environment where women can thrive and excel in every field.

INDUSTRIAL STUDY TOUR

INDUSTRIAL VISIT TO ULTRATECH RMC PLANT, SAMBALPUR

The B.Tech Civil Engineering students of Vikash Institute of Technology undertook an insightful industrial visit to the UltraTech RMC Plant, Sambalpur for practical exposure to industry operations.

During the visit, students gained valuable knowledge about Ready Mix Concrete (RMC) production, including batching, mixing, quality control, and plant management processes. The interaction with industry professionals helped them understand real-time challenges and best practices in construction.

This visit effectively bridged the gap between theoretical learning and practical application, enriching students' understanding of modern construction techniques and industrial standards.

INDUSTRIAL STUDY TOUR

INDUSTRIAL VISIT TO OHPC CHIPILIMA

Our B.Tech students had a valuable opportunity to undertake an industrial study tour to OHPC, Chipilima, gaining firsthand exposure to real-world power generation systems. During the visit, students observed various electrical systems, power plant equipment, and practical applications of electrical engineering used in the industry.

The visit provided deeper insights into plant operations, maintenance practices, and the functioning of hydroelectric power generation, helping bridge the gap between theoretical learning and practical implementation.

We sincerely thank the authorities and staff of CHEP, Chipilima for their support, guidance, and for making the visit informative and enriching for our students.

INDUSTRIAL STUDY TOUR

INDUSTRIAL VISIT TO CENTRAL TOOL ROOM & TRAINING CENTRE, BHUBANESWAR

The B.Tech Civil Engineering students of Vikash Institute of Technology undertook an insightful industrial visit to the UltraTech RMC Plant, Sambalpur for practical exposure to industry operations.

During the visit, students explored multiple state-of-the-art facilities, including the Advanced Manufacturing Lab, Advanced Robotics Lab, and Plastic 3D Printing Lab. They gained hands-on experience with modern tools, machining processes, industrial robotics, and automation systems, enhancing their understanding of real-world industry applications. The interactive sessions and demonstrations provided deep insights into current technological advancements and their practical implementation.

The visit also included participation in an Industrial Expo, where students observed innovative solutions and emerging trends in manufacturing and automation, further strengthening their technical knowledge and industry awareness.

As part of the exposure visit, students also explored the iconic Konark Sun Temple, famously known as the Black Pagoda. They learned about its architectural brilliance, the scientific significance of sunlight in its design, and intriguing theories related to its magnetic properties—beautifully blending history, science, and engineering.

Overall, the visit proved to be a significant step toward bridging the gap between classroom learning and real-world industry practices, fostering practical knowledge, innovation, and holistic learning among students.

A WORKSHOP ON WIRELESS COMMUNICATION

Students of B.Tech (EEE & CSE) from Vikash Institute of Technology attended an insightful workshop on Wireless Communication at Silicon Institute of Technology, Sambalpur.

The workshop provided valuable exposure to modern communication technologies, including wireless networks, signal transmission, and emerging trends in connectivity. Through expert sessions and interactive discussions, students enhanced their understanding of real-world applications and industry practices.

The programme served as an excellent platform for skill development, encouraging students to explore advancements in communication systems and bridging the gap between theoretical knowledge and practical implementation.

INTER-VIKASH CRICKET TOURNAMENT 2026

The Inter-Vikash Cricket Tournament 2026, organized by Vidya Vikash Sambalpur, is currently in full swing, bringing excitement and competitive spirit to the मैदान.

Our dedicated staff and faculty members of Vikash Higher Educational Institutions, Bargarh are actively participating, showcasing remarkable teamwork, sportsmanship, and enthusiasm. The tournament reflects a perfect blend of passion, fitness, and fun, strengthening bonds beyond the classroom and workplace.

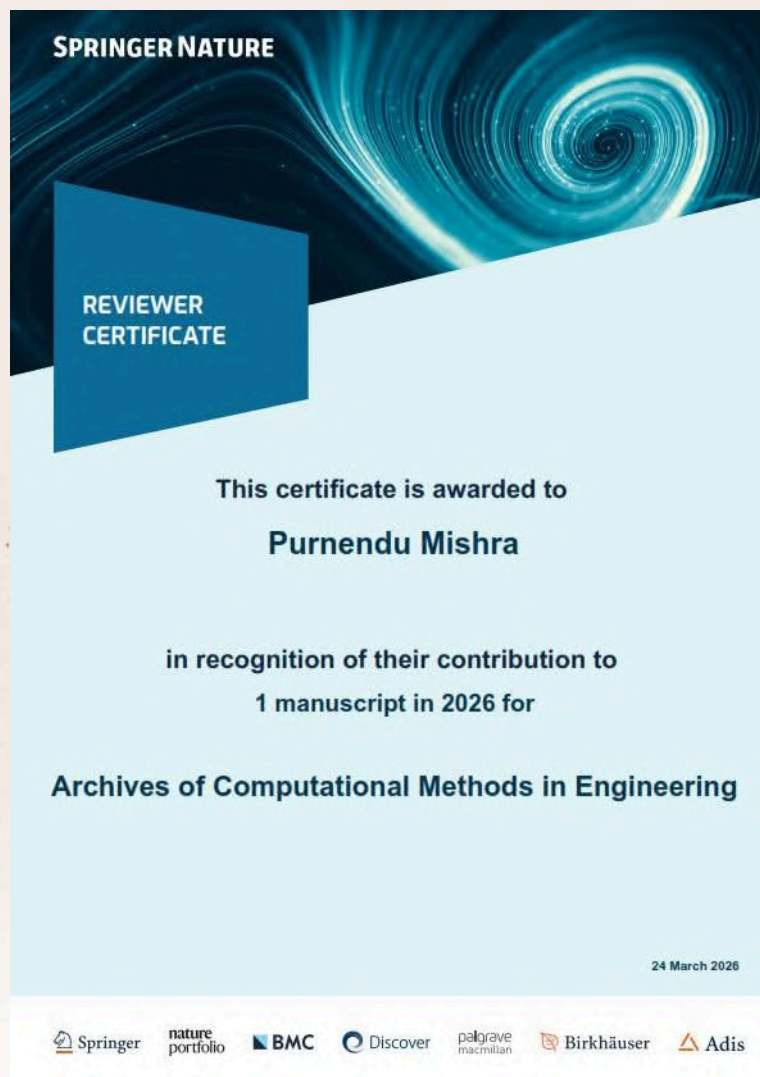

The event continues to inspire a spirit of unity and healthy competition, making it a truly engaging and memorable sporting experience for all involved.

FACULTY ACHIEVEMENTS

We are proud to share that **Dr. Purnendu Mishra**, Principal of Vikash Institute of Technology, has been awarded a **Reviewer Certificate by Springer Nature** in recognition of his valuable contribution to reviewing a research manuscript in 2026 for the prestigious journal Archives of Computational Methods in Engineering.

This recognition highlights his academic excellence, research expertise, and commitment to contributing to the global scholarly community. His achievement brings pride to the institution and reflects its dedication to promoting high-quality research and innovation.

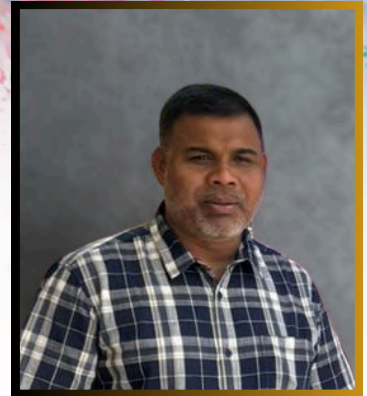

FACULTY ACHIEVEMENTS

We are proud to share that **Dr. Girish Padhan** was awarded a **Certificate of Presentation by the IEEE MANIT Student Branch** at the **SCEECS'26 Conference**, held from **January 31st to February 1st, 2026**.

Dr. Padhan presented his research paper titled **“Transfer Learning-Driven Adaptive BERT Model for Masked Language Modeling in Indigenous Languages.”** His work highlights innovative advancements in artificial intelligence and natural language processing, particularly in the context of indigenous languages.

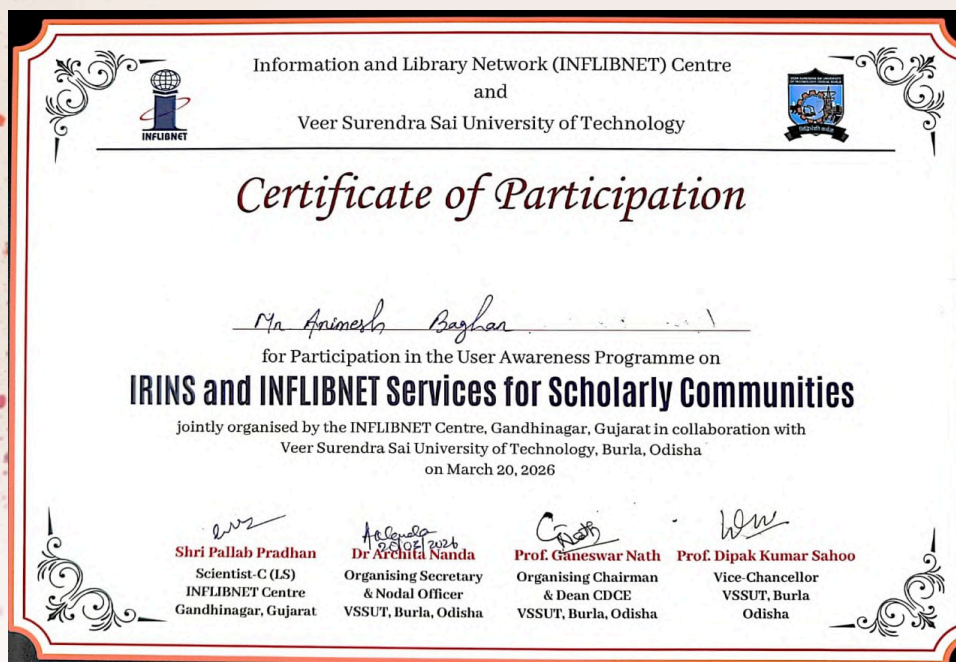

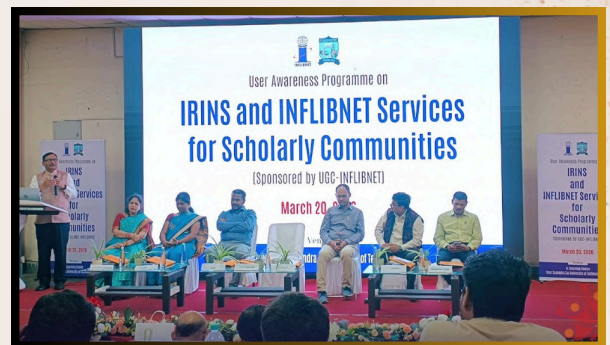

We congratulate him on this achievement and wish him continued success in his future scholarly endeavors.

FACULTY ACHIEVEMENTS

Mr. Animesh Baghar, Librarian of Vikash Higher Educational Institutions, attended a **User Awareness Programme on IRINS and INFLIBNET Services**, sponsored by the **University Grants Commission (UGC)** and organized at **Veer Surendra Sai University of Technology (VSSUT), Burla**.

The programme focused on enhancing awareness about **IRINS (Indian Research Information Network System)** and the wide range of digital resources and research services offered by the **INFLIBNET Centre**. His participation reflects the institution's commitment to strengthening library services, promoting research visibility, and supporting academic excellence through modern information systems.

NOTICE AND INFORMATION

B-Tech

- The Even Semester Examinations of B.Tech 4th & 6th Semester will be commenced from 29th April 2026. The detail Exam schedule is available at <https://exam.bput.ac.in>
- The Class Test-II of B.Tech 4th & 6th Semester will be held from 9th to 11th April 2026.
- The Class Test-II of B.Tech 2nd Semester will be held from 23rd to 25th April 2026.
- The Sessional viva-voce & Lab record submission of B.Tech 4th 6th Semester will be held from 13th to 16th April 2026.
- The Sessional viva-voce & Lab record submission of B.Tech 2nd Semester will be held from 23rd to 25th April 2026.
- The final project Viva-voce of B.Tech 8th Semester will be held tentatively on 1st week of May 2026.

Int. M.Sc

- The Even Semester Examinations of Int. M.Sc 8th & 10th Semester will be commenced from 29th April 2026. The detail Exam schedule is available at <https://exam.bput.ac.in>
- The Class Test of Int. M.Sc 8th & 10th Semester will be held from 9th to 11th April 2026.
- The Sessional viva-voce & Lab record submission of Int. M.Sc 8th & 10th Semester will be held from 13th to 16th April 2026.

MBA

- The Even Semester Examinations of MBA 4th Semester will be commenced from 29th April 2026. The detail Exam schedule is available at <https://exam.bput.ac.in>
- The Class Test-II of MBA 4th Semester will be held from 9th to 11th April 2026.
- The Class Test-II of MBA 2nd Semester will be held from 23rd to 25th April 2026.

Diploma

- The Semester Examinations of Diploma 4th & 6th Semester (Reg & Ex-Reg) and 5th Semester (Ex-Reg) will be commenced from 29th April to 13th May 2026. The detail Exam schedule is available at <https://sctevt.odisha.gov.in/en/notice-board/1>
- The practical Examination of Diploma 4th & 6th Semester will be held from 14th to 21st May 2026.
- The Semester Examinations of Diploma 2nd Semester will be commenced from 20th May to 30th May 2026. The detail Exam schedule is available at <https://sctevt.odisha.gov.in/en/notice-board/1>
- The practical Examination of Diploma 2nd Semester will be held from 1st to 6th June 2026.
- The Class Test-II of Diploma 4th & 6th Semester will be held from 20th to 22nd April 2026.
- The Class Test-II of Diploma 2nd Semester will be held from 27th & 28th April 2026.
- The Sessional viva-voce & Lab record submission of Diploma 4th & 6th Semester will be held from 23rd to 25th April 2026.
- The Sessional viva-voce & Lab record submission of Diploma 2nd Semester will be held from 27th & to 28th April 2026.
