

NEWS LETTER

February 2022 Edition

Sj. D Murali Krishna, Esteemed Chairman of Vikash Group of Institutions, shares his future plans and strategy with Orissa POST and The Dharitri about how the group helped the students of Vikash to tide over the challenges of Covid-19 Pandemic.

‘Student’s positive attitude will ensure altitude of his success’

Riding on the overwhelming response of students, parents and well-wishers, the Vikash Group of Institutions has made exponential progress in providing quality education to students, both from within and outside of the state. The group came out with tailor-made tools to help its students tide over the challenges of Covid-19 pandemic. D Murali Krishna, Chairman of Vikash Group of Institutions, shares with Orissa POST his future plans and strategy for the group. Excerpts from an interview

■ What are the facilities you provided during the pandemic?

We at Vikash carry the responsibility of shaping the future of this country. We thought to deal with the unforeseen situation creatively. We mobilised our resources, upgraded our faculties and brushed up our skills through training programmes. This simulated interactive sessions, discussions and virtual tours, created a fun and stress-free learning environment. Under the guidance of professional teams, we designed our own curricula for toddlers to middle-school students. Online parent-teacher meetings were organised to thank parents for their tremendous support to us. The indigenously developed VIDYA portal played a key role in the online education. Examinations were conducted, assignments were submitted and doubt clearing sessions were organised through this portal.

■ What are the major demerits of online teaching?

In comparison to face-to-face learning, online learning has certain deficiencies like lack of direct contact and absence of opportunities for collaborative learning in the peer group. This has disturbed the socialisation quotient of students. Vibrant classrooms, games and activities with peers were replaced with computer screens. Writing skills also got affected due to online learning. All these factors affected the overall development of students.

■ How did your institute motivate students?

Education is not all about competence but more about motivation. We strongly believe that each child is unique and has tremendous potential to do well in life. The pandemic gave our teachers an opportunity to reach out to students with booklets, worksheets, small videos, animations and audio recordings. We provided specially-designed activities.

schedule online. This brought students together and gave them exposure to various activities like morning assemblies, celebrations, career counseling and webinars.

■ What are your opinions on students of Odisha?

The students of Odisha have excelled in various fields at the national level. I strongly believe that the students of Odisha will make their presence felt in various sectors if they are provided with the right platform. We in Vikash are trying this. The success of our alumni is the best example of the potential of Odia students. Our alumni have reached the top echelons of society.

■ What is your advice for aspiring students?

When we talk about education in the 21st century, there is a very important distinction. Now, students have large scope to access courses that suit their passions. Never before in history has the possibility of making a passion into a profession been so widely attainable. Apart from traditional courses, many of them are available for students where open online courses, customizable courses and virtual tools of learning have become commonplace. We at Vikash always aim at finding ways to provide diverse opportunities to our students so that they can excel in the field they want to choose. I always believe positive attitude of a student will ensure the altitude of his success.

Vikash Group Of Institutions: A Hub of Learning Today for Leading Tomorrow

D Murali Krishna, Founder-Chairman of Vikash Group

Vikash Group, a brand name with wide reputation in the field of Education and Health Care is the realizations of a vision to transform the educational landscape of the state and also providing quality health-care for the people.

Leadership has a significant role in the transformation of society, and for change to happen, effective leaders are indispensable which is well evident in case of S.J. D.Murali Krishna, Chairman and Founder of Vikash Group who is known for his vision and innovation. He has made a definite difference to the

educational system in the present scenario with his undaunted commitment to bring excellence in education. This inspirational legendary figure has been conferred with many recognitions like 'Top 20 most inspirational personalities of Odisha award 2021' by a leading media house, featured in the list of ET Newsmakers East Zone 2021.

Vikash Group of CBSE Schools run by this notable personality along with other promoters, started in the year 2002 to educate children from KG to 12th with an initial strength of 52 students.

Now the chain of schools has expanded its horizon across the state like Bargarh, Bhubaneswar, Sambalpur, Bhawanipatna, Rourkela and Jharsuguda with a total strength of 15000 out of which 6000 are availing its residential facilities. Vikash Group was conferred with the Rank 10 in 'India's most Respected Education Brand' during Grand Jury India School 2021-22 by a leading magazine. Vikas Residential School, Bargarh was ranked 3rd under top 10 Schools of Odisha (Times Schools Survey, 2021) by OMS (a Division of Times Internet Limited), a research by Avance India.

From toddlers to the middle school,

Vikash Residential School, Bargarh

Vikash The Concept School, Sambalpur

Vikash High Global Campus, Bhubaneswar

the own designed curriculum, ensuring constant evolution under the guidance of Professional Team provides the children a vivid understanding of the world around them. The Art integrated learning, Experiential learning along with Bloom's Taxonomy based academic process make learning a joy ensuring a good degree of creative thinking and makes learning personalized for every student to cater the diverse needs of every individual.

Vikash found opportunities in the Covid time and re-invented itself, especially in delivering the blended model of education. The remarkable attribute is the indigenously developed VIDYA Portal, the online platform for the students. We are ensuring enhancement of social quotient of every child through specially designed activities schedule.

The Techno programme from classes VI to X help students along with Well-equipped Science and Language Laboratories, establishment of Atal Tinkering laboratory (ATL), Digital library provides opportunities to the students to explore skills of the future like design and computational thinking, adaptive learning and artificial intelligence. The participation of students in NCSC, INSPIRE Camps help them to think out of the box.

The performance of students in AISSEE & AISSE Boards results itself set a benchmark for its academic strategies and guidance. The output of research based school academic structure with centralized system is clearly evident in the meritorious performance of students in the IIT, NEET, KVPY, NISER, JISER etc. and alumni have reached to the top echelons of the society.

Vikash Institute of Social Welfare is the realization of humanitarian dream of the founders in providing quality education for the marginalized children lead to the nomination of Chairman as a Trust Board member of Tirumala Tirupati Devasthanam.

The receipt of Governor's Trophy and Chief Minister's Trophy by the students, is the authentication of its remarkable facilities and guidance in the field of dance, music, painting to explore their passions through extracurricular and co-curricular activities. It always encourages & provides means to its students to balance their pursuit for sporting passion through well developed infrastructure and training through professional coaches with out compromising on their academics which

Vikash First Step, Bargarh

Vikash Residential School, Bhawanipatna

ensures high degree of performance in State and National level.

Vikash campuses are beautifully landscaped and committed towards building a sustainable Eco friendly green campus by the installation of Solar Panels, Bio Gas Plant, Central RO Plant and Sewage Treatment Plants. For its greenery Bargarh Campus is honoured with "Prakruti Mitra" Award in 2011.

Vikash group of schools has made a mark in the educational world as innovative and inspiring schools.
